

Disclaimer:

This is the Turkish Aerospace list of External Source Approved Processes.

Publication of this neither engages Turkish Aerospace in any contract relationship/responsibility nor allows automatic contract authorization, ordering, etc.

Suppliers remain liable for fully managing their relationship with sub-tiers.

For any further information, please contact directly Turkish Aerospace Process Control Department.

© Turkish Aerospace 2013. All rights reserved. This document contains Turkish Aerospace proprietary information and shall at all times remain the property of Turkish Aerospace; no intellectual property right or license is granted by Turkish Aerospace in connection with any information contained in it. It is supplied on the express condition that said information is treated as confidential, shall not be used for any purpose other than that for which it is supplied, shall not be disclosed in whole or in part, to third parties other than the Turkish Aerospace subcontractors and suppliers (to the extent of their involvement in Turkish Aerospace projects), without Turkish Aerospace's prior written consent.

Processes classifications ;

- SP-TA** : Special Process with only Turkish Aerospace Approval
- SP-TCA** : Special Process with both Turkish Aerospace & Customer Approval
- UNSP-TA** : Not special but requires Turkish Aerospace Approval
- SP-CA** : Special Process with only Customer Approval
